

WESTAIR - DIESEL KOHLER PORTABLE & STATIONARY

WD16/70

Powered by Electric Start Kohler diesel engines and backed by a long 3 year warranty the Westair range of Kohler powered portable and stationary air compressors are designed to tackle a wide range of applications where power isn't available.

All Kohler powered compressors feature the USA Conrader load genie valve and auto idle system factory set at 135psi cutout but adjustable to 145psi if required as well as slow revving cast iron pumps with replaceable cartridge element intake air filters and AS1210 air receivers.

WD20/120

WD38/120

KEY FEATURES

- Heavy duty slow revving pumps
- AS1210 air receivers
- Stainless steel reed valves
- USA Conrader load genie valve and auto idle
- Replaceable cartridge element intake air filters
- Electric start engines fitted as standard - battery and leads available at extra cost
