

WESTAIR - PETROL KOHLER PORTABLE & STATIONARY

WP20/70K

Powered by Electric Start Kohler petrol engines and backed by a long 3 year warranty the Westair range of Kohler powered portable and stationary air compressors are designed to tackle a wide range of applications where power isn't available.

All Kohler powered compressors feature the USA Conrader load genie valve and auto idle system factory set at 135psi cutout but adjustable to 145psi if required as well as slow revving cast iron pumps with replaceable cartridge element intake air filters and AS1210 air receivers.

WP38/120K

WP50/120K

KEY FEATURES

- Heavy duty slow revving pumps
- AS1210 air receivers
- Stainless steel reed valves
- Genuine Kohler petrol engines
- USA Conrader load genie valve and auto idle
- Replaceable cartridge element intake air filters
- Electric start engines with battery and leads fitted as standard

Electric start engines with battery and leads are fitted as standard to the Kohler petrol range.
